DETOXIFY YOUR INBOX — LEAD YOUR LIFE

Is your inbox a reflection of your life? Overloaded, full of distractions, impossible to prioritize? If so, you need an *Inbox Detox!* In this interactive presentation, Marsha uses her famed 12-step program to help the audience cure their e-mail e-ddictions and take back the reins of their lives in the process.

- **Become more focused, energetic and productive!**
- **Reduce stress by developing healthy e-mail and life habits!**
- **Take back control of life — inbox and out!**

CHANGE IS GREAT. YOU GO FIRST.

Human nature's resistance to change can prevent people from achieving amazing success. This memorable, participation-based keynote challenges audience members to truly "go first" by adopting *openness to change* as a competitive advantage.

- **Embrace change and the five attributes that enable it!**
- **Discover opportunity in a world of accelerating growth!**
- **Adapt faster and learn to stay ahead of the curve!**

CREATING YOUR OWN LUCK

Lucky people take action every day to seize life's opportunities. In this inspirational and engaging presentation, Marsha motivates and inspires viewers to pinpoint actions they can take to magnify their career "luck."

- **Build and feed synergistic relationships!**
- **Learn how "remarkability" can open doors!**
- **Take action steps that increase your career luck!**
